

Infrico

Infrico
— USA —

Food Service Catalog Overview 2024

INFRICO is a Family owned & operated Manufacturer based out of the Southern region of Spain, a major Global Market Player for almost 37 years in the production & sales of **“HIGH SPEC” Commercial Refrigeration Equipment.**

With our NORTH AMERICA H.Q. located in Miami FL, our products are located across the United States since 2011 with incredible success. Our line is design driven, perfect for almost any type of environment, whether you work with **bakeries gourmet cafés, luxury hotels & resorts, restaurants, entertainment parks, casinos, schools, airports, sport stadiums, grocery stores, or supermarkets.**

Part of this success comes from the **strong relationships** we keep building with our Customers, Dealers and Consultants throughout the country, who contribute enormously in specifying our products for multiple projects across the USA. **We carry a vast supply of parts stocked** locally and have been able to establish a solid U.S. service network with access **to the top authorized service agents across the country.** Our equipment is warehoused in multiple U.S. locations and is manufactured to the highest international quality standards and regulations.

Infrico offers an incredible diverse range of options such as **Reach-ins, Wine coolers, Under counters, Prep Tables, Retro Refrigerators, Blast Chillers & Shock Freezers, Sushi Cases, Supermarket cases, Euro-style bakery cases, Gelato cases, Air Curtains Grab n’ Go cases,** and much more...

INFRICO was established in 1986 with a clear objective: to produce the best refrigeration solutions adapted to the specific needs of each customer. **Technological vanguard, certified quality and the excellence of its products are the guarantees** to support its commitment to innovation.

This is what has positioned Infrico as one of leading commercial refrigeration equipment manufacturer across the world. Infrico offers a very wide range of equipment that covers everything related to refrigeration for the **Foodservice** sector to include, bakery, pastry, ice cream, wine cooler equipment and more, also **Supermarket Retail Equipment.**

Infrico has customers around the world and a large share of the national market, as we continue the growth process and expansion throughout the world. Infrico currently has more than seven hundred employees spread across 13 branches in Spain and 16 worldwide.

REACH-IN REFRIGERATORS & FREEZERS:

A superior energy efficient refrigeration system built with AISI stainless steel interiors and exteriors, universal tray slides, and digital temperature controllers.
